THOMPSON STREET CAPITAL PARTNERS ACQUIRES CLINICAL DATA CRO

ST. LOUIS (January 26, 2016) – Thompson Street Capital Partners (TSCP), a private equity firm based in St. Louis, announced today that it has acquired a Contract Research Organization (CRO). The company provides highly specialized clinical data management and statistical services and represents the first acquisition of TSCP’s newly-formed Clinical Research Data Group (CRDG). Terms of the transaction were not disclosed.

Said Jim Cooper, Managing Partner, TSCP, “We are excited to begin building our CRDG platform together with our executive partner and this core company’s talented management team. The company has earned a leading reputation in the CRO industry for its capabilities in clinical data management, statistical programming, and biostatistics services. We are eager to build upon the team’s already-significant success as we support this company’s accelerated growth and expand our CRDG platform.”
