THOMPSON STREET CAPITAL PARTNERS FORMS CLINICAL RESEARCH DATA GROUP

ST. LOUIS (January 1, 2016) – Thompson Street Capital Partners (TSCP), a private equity firm based in St. Louis, announced today that it has formed the Clinical Research Data Group (CRDG) to create a full-service Contract Research Organization (CRO) serving the pharmaceutical, medical device and biotechnology industries.

Thompson Street has partnered with an industry expert to help implement and guide an aggressive growth strategy for the member companies of the new group.

Said Jim Cooper, Managing Partner, TSCP, “We are excited to build our CRDG platform together with our executive partner. Our platform will provide essential CRO services including biostatistics, data management and clinical operations to the dynamic and growing clinical trials industry.”
